

# Beta Theta Pi Exec Minutes

November 28, 2025

- **President – Josh Berg**

- Notes from Danny:
  - Having sustainable chapter growth in successful organizations means having everyone involved.
  - Creating a year-round recruitment culture involves getting our names out there, tabling events, rec day, bi-weekly events, semi-annual recruitment events (grill outs, word of mouth, etc)
  - Table with Men of Principle scholarship, we have campus involvement, just need brothers to help recruit out of it
  - Weekly recruitment dinners
- Event ideas from Danny:
  - Intermurals
  - Rec cornhole
  - Spikeball
  - Sports events (the Stallions)
  - One-on-one meetings
  - Bonfires (campsites)
- Mention core values, no hazing policy, new member education history; **this is who we are (identity, who are we as a chapter)**
- Tabling 3x a week in the spring (for recruitment)
- Dinner on Thursday with people, extend prebids to the Spring, showing a face, showing a table, getting to know more guys, getting phone numbers
- Remy meeting notes:
  - Need to be clear about what the chapter wants
  - Relationships move the needle in the chapter and foster positive relationships
  - As an Executive Board we must move together as a unit and set the premise for the chapter and its needs
  - Remy stated he is on our side and is willing to be a resource if needed
- Greek Draft:
  - February 16-19 – Philanthropy week, event being the 19<sup>th</sup>
  - February 28 – Date party or mixer date
  - March 21 – formal date
- Conclave registration is finished, flights are being solidified this week
