**Whereas**, without organized resolution or legislation ambiguity has arisen when attempting to understand or change said position; and

**Whereas**, this resolution seeks to serve as the framework for resolving this ambiguity and establish clear structure to govern and clarify the Sweetheart position;

**Therefore, be it resolved**, the title of “Sweetheart” may be granted to any female individual who is currently enrolled as a student at Samford University and who meets all the following requirements:

*ii) A chapter discussion shall take place*

*iii) A vote shall be conducted. Should 60% or more vote in favor of removal, the Sweetheart is removed. If the vote fails, the Kai Committee may reconvene to consider other sanctions, taking chapter input into account*

**Be it further resolved,** in recognition of the historical tradition wherein Sweethearts were often significant others of Active Members, this resolution charges the Ritual Committee with the creation of a “Pinning Ritual” to recognize such individuals within the chapter.

**Be it further resolved, that;**

**1)** Upon the adoption of this resolution — which includes proper notice of the full text of all proposed bylaw amendments — the included amendments shall be incorporated into the Bylaws without the need for a separate vote. Adoption of this resolution shall constitute

adoption of the amendments, provided that the required voting threshold (simple majority or 51%) for bylaw amendments is met; and

- 2) All prior service as Sweetheart — including terms held before the adoption of this resolution — shall be counted toward the eligibility requirements established herein; and

**Be it finally resolved**, upon completion of the Ritual Committee's charge to develop the "Pinning Ritual," a separate resolution containing the proposed ritual and a corresponding bylaw amendment shall be submitted for approval. The adoption, content, or intent of this current resolution shall not be affected by the future proposal.
